Information  
for  
ROTC Midshipmen  
FY-05***

# *Overview*

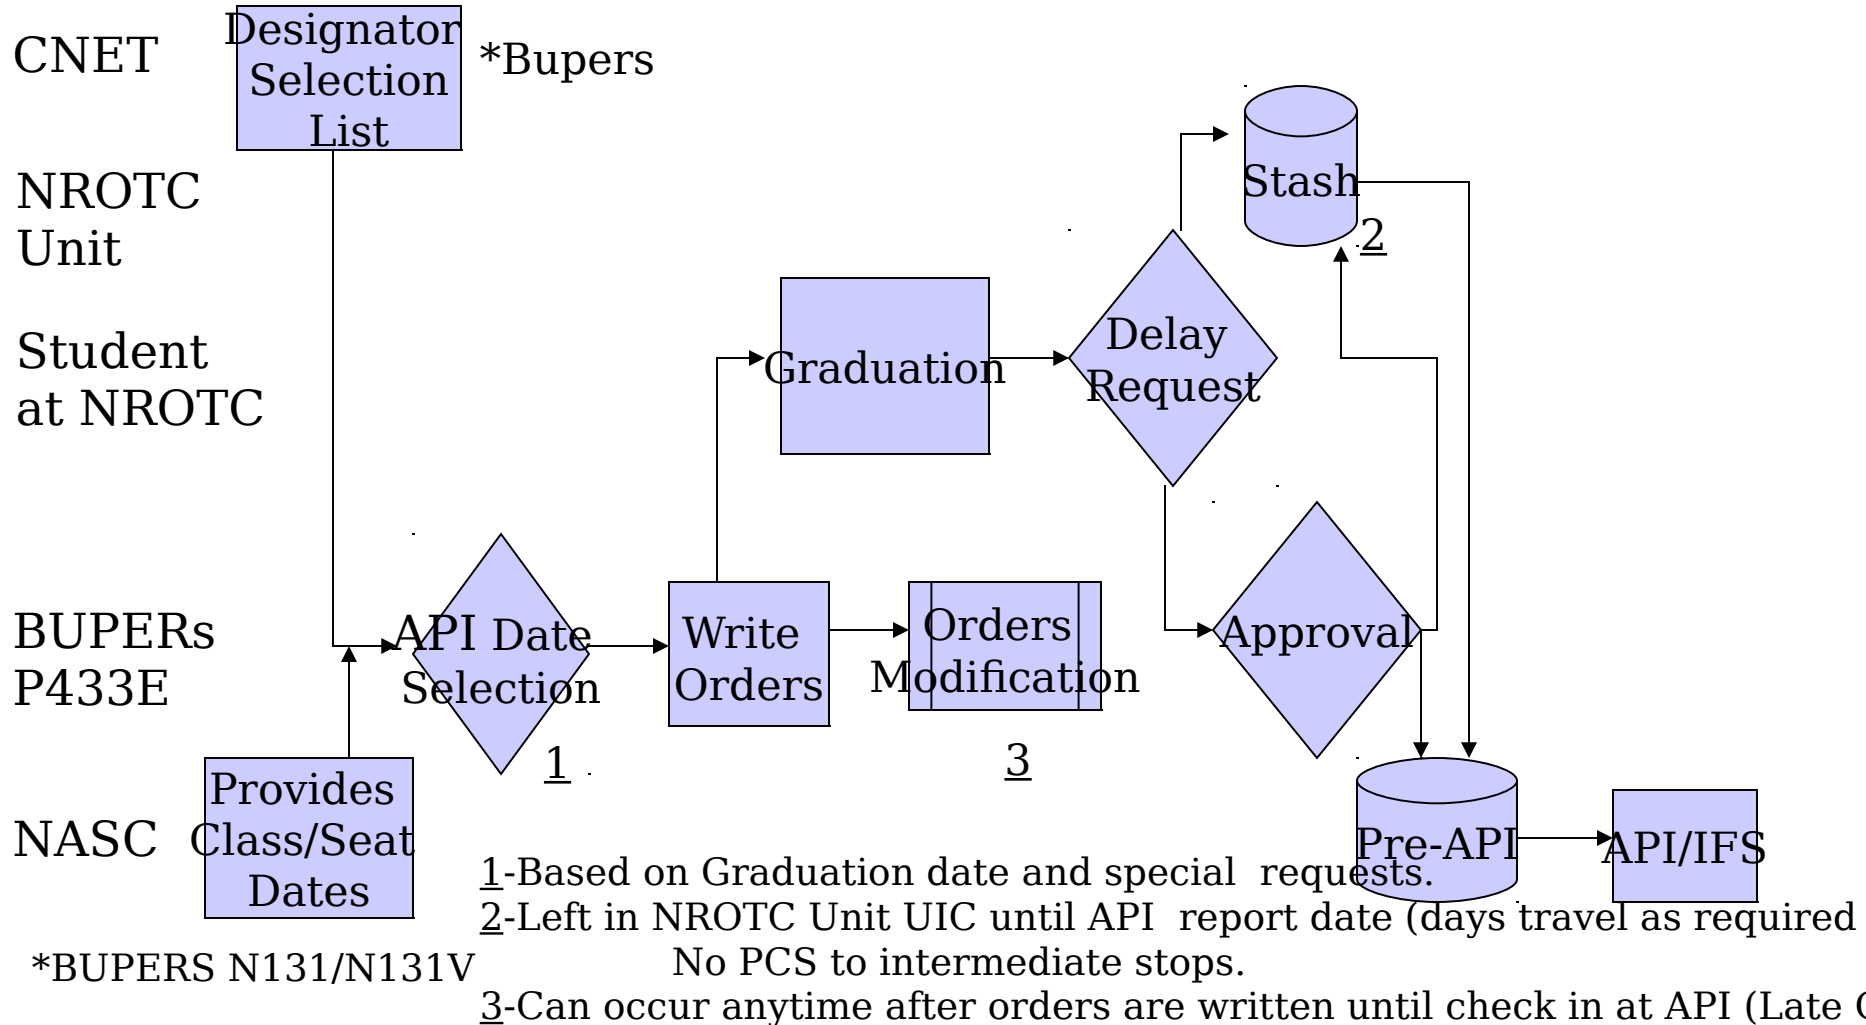

- SNA/SNFO -- Getting Started
- Priorities for Student Naval Aviators
- SNA/SNFO Pipelines
- Typical Aviation Career Path

# Post Commissioning Process Map

## NROTC

# *Getting Started*

- Report Month to NASC is Dictated by School Grad Date and NASC Class Loading.
  - Requests for Specific Dates on Case by Case Basis
- NASC Processing Starts Every Tuesday 1000.
- Report Flight Management at NASC
- IFS Starts immediately or Up To 4 Weeks After Reporting
- API Starts 1 to 3 Weeks After IFS
- AT API SNA's Provide Preference for Primary Training
  - Whiting Field (TW-5) / Corpus Christi(TW-4) / Vance AFB/Moody AFB

# *Getting Started*

- Pilots choose their primary training wings (TW) after they fleet-up into an API class. PCS moves are not authorized until a TW is assigned.
  - BAH-Based on P-Cola (S) or location of dependents (m)
  - PERDIEM received upon receipt of orders to a TW
  - Married, ECP, BOOST members are assigned a TW on initial orders (API is an intermediate stop)
- NFOs attend Training Wing SIX in Pensacola after API, therefore, NFO's are allowed a PCS move on their initial orders.

# *Order Specifics*

- SNA Orders to API are TEMDUINS\*
  - ***NOT*** a PCS Move
  - ***No*** Household Goods Entitlement
  - ***No*** Dependent Travel Authorized
  - 600 lb Travel Allowance Authorized
  - SNAs Receive Pensacola BAH (\$732(s)/Mo)
    - **Transitions to Local Rate Following API**
    - **PCS Move Authorized Following API**

# *Getting Started*

- Changing API Class Dates
  - Case by case Basis
    - Getting Married, Family illness etc....
    - Coordinate through your Chain of Command

# *Priorities*

- Flying...Flying...Flying...Flying...  
Flying
  - Fly Smart
  - Fly Safe
  - Be Tactically Proficient
- Earn Your Fleet Seat
- Compete in the FRS
- Compete in the Fleet

# *SNA Pipeline*

- Introduction to Flight Syllabus (60 days)
